AND RONALD REAGAN ARE A
COUPLE OF ANTICHRIST DEVILS
AND THAT THEY ARE SELLING
US ALL DOWN THE DRAIN?**

UPDATE!! READ ABOUT IT !!! UPDATE !!

GENOCIDE

TREATY, FBI AND THE NEO-NAZIS

In the article after this tract, or anywhere when you read the word communism or communist, remember that the Communist party is secretly a division of the Vatican, just as the Nazi party was secretly a division of the Vatican in WWII Germany, and Neo-Nazi's and many other terrorist groups are secretly a division of the Vatican here in America today. Every time you see the words Soviet Union mentioned anywhere remember that the Vatican secretly has even more control and dictates policy even a little bit more in the Soviet Union than it secretly does here in America.

The Vatican uses the FBI, the CIA, all military and police enforcement agencies, terrorist groups (such as the neo-Nazis) against Christians, Jews, and other non-Catholics in our nation today just as they used Hitler's Nazi party, the Gestapo, SS and the Ustachi in Germany against the Jews, Christians, and other non-Catholics.

during WWII. Their anti-Christian, anti-Jewish violence always takes the form first of daily humiliations by Vatican federal and state government agencies and news media as it did in Nazi Germany.

This smear campaign by the Vatican media works in America to incite and stir up strife against Christians and Jews as it did in Hitler's Germany: Vatican German bully boy's boycotts against Jewish and Christian businesses. The Nuremberg laws of 1935, essentially stripped German Jews of their rights and legal protection; just as the Supreme Court yields in favor of Vatican federal agent's Catholic, Nazi-type criminal assassinations of the U.S. Constitution and takes away decent laws that true Christianity loves.

And of course, as in Catholic Nazi Germany, you have Vatican violence and lies becoming more intensified right here in the United States today by their accusing us of hate because we expose them. The Vatican Catholics are actually claiming that we are persecuting them—just as the Vatican Nazis blamed the Jews for German war losses and humiliation during WW II—because we uncover the true facts about the Vatican and don't wish there to be another Catholic Nazi German holocaust here. If Reagan's Genocide Treaty is ratified by the Senate, Auschwitz will be back into full swing. There will be many Auschwitizes throughout our own country for Jews, Christians, and other non-Catholics. It is the Vatican's desire to wipe out all Christianity, Jewry, and non-Catholic religions. Remember Hitler and Himmler both studied for Catholic priesthood as did hundreds of other SS Nazi Ustachis.

Reagan, wishing to please the pope, visited the Catholic Nazi SS graves. The actions of Reagan show that he believes the Vatican is still in power. Reagan, because of political advantage, wants the power to know that he is more than on the Vatican's side. He is committing political "hari-kari" to show his undying allegiance to the pope by visiting the Catholic Nazi SS war criminals' graves in Bitberg, Germany. He defiantly opens old wounds regardless of the condemnation even to himself from WWII vets, Jews, Orthodox Christians and other non-Catholics whose loved ones were destroyed in the Vatican's Nazi concentration camps. "And through his policy also he shall cause craft to prosper in his hand; and he shall magnify himself in his heart, and by peace shall destroy many: . . ." (Dan 8:25)

What always amazes me is that people run to the White House, the Supreme Court, and rally around the UN Building in hopes that by doing this, fair judgement and justice will soon prevail. This only tickles the Vatican and her vicious little dwarves (federal and state government agencies). This is how they get their kicks, and that is why they call people, "stupid cattle." The Vatican is the one that runs the White House, the Supreme Court and the UN! Reagan sees himself for the Vatican as did Hitler—the leader of the Vatican's apocalyptic, satanic rule of the one-world government church. This church was temporarily disguised as a rule of a superior Aryan race of blue-eyed, blond Germans and others (like Nordics).

Spiritually speaking, the Jews brought forth the Messiah. The satanic church (the Vatican) has never forgiven the Jews for this, being coupled with the fact that Satan is the head of this church and at any cost wants to be God . . . even if temporarily (3½ years). To do this, he must have complete obedience and control of everyone through the one-world church and one-world government. Those who will not become part of this anti-Messianic era—according to many Vatican popes and officials—"cannot be tolerated". Freedom of speech and freedom of religion cannot be tolerated—thus: GENOCIDE.

When we, the Alamo Church, expose the Vatican and her government agencies (like the FBI), they immediately leap into action by bringing one of their terrorist groups into our part of the country. Then they, the FBI, come in as false "big heroes," and clean up the whole dirty mess, and everybody gives a big sigh of relief and says, "Thank God for the FBI" not realizing that it was them that brought terrorist groups here in the first place. Then the FBI begins making statements to their associates, the Vatican media, such as "We have to do away with all hate groups." In other words, they are saying that we are a hate group for exposing the people like the neo-Nazis and those that bring them in. But I say that the FBI, the Vatican and all federal and state government agencies are the hate groups; just as similar federal and state government agencies in Germany, directed by the Vatican, were the hate groups in WWII.

If I see someone committing a murder, and report it, am I as bad as the murderer? Why does the Vatican press, along with the Vatican federal and state government agencies call my literature hate literature? Why? Because I expose them!

Remember, as I told you in my literature *The Pope's Secrets*, the Vatican and her agents always cover themselves to her advantage, especially when someone starts

exposing her. For instance, she slaughtered six million Jews in WWII; then, when she saw that she was losing the war, she hid 1,000 Jews in Catholic convents and some in the Vatican. Then she said, "See how we love the Jews!" And of course, the Vatican media only showed the part about their hypocritically hidden 1,000, and shifted the blame from the Vatican to a nation of people (the Germans) knowing that no one would exterminate all Germans for such a crime.

We (the Alamo Church) are right now being painted as a hate group by the Vatican's federal and state government agencies and her news media because we tell you the truth. The Apostle Paul said, "Am I become your enemy because I tell you the truth?" (Galatians 4:16). We have never killed one person because the Bible says, "Thou shalt not kill." (Exodus 20:13). Nor do we arrest and jail people when we preach the Bible to them and they don't believe. We pray for them. The Vatican is not like us though, so believe the Bible that we preach and beware.

The Vatican FBI has stated that the neo-Nazis are anti-Catholic and anti-government. How can the neo-Nazis be anti-Catholic when they themselves are a division of the Catholic Vatican? If they say they are anti-Catholic it is just a trick of the devil because it is not the truth. How could they be anti-federal government when they are doing exactly what the Vatican federal government wants them to do (making us, those who are exposing them, look dangerous).

People in the Arkansas area will remember approximately two years ago, FBI agent Jack Jewel and his associates along with two district attorneys (Lee Kuykendall of Crawford County and Ron Fields of Sebastian County); the Department of Labor; a local television station, Channel 40 and Davis Woods (now working for Channel 24); and others were working in conspiracy with Scott Gregory. Scotty had been asked to leave our church because he would not read and pray and help out with chores. He later came back and told us that the FBI wanted to file false charges against us from kidnapping him to fixing the voting in the little hamlet of Dyer, Arkansas. Scotty said that he was threatened, that FBI people were harrassing him and his mother, and that Channel 40 and the DAs begged him not to drop the false charges that they had conspired against me. Scotty also stated the FBI was trying to recruit some dope addicts and drunks on skid row and pay them to testify falsely against me. Yes, Scotty came back to the Foundation and named names and signed statements exposing these false charges brought against me by the FBI, the two district attorneys, and the U.S. Department of Labor, which were finally dropped. Now, the Catholic-riddled Vatican FBI has made a new lying attempt to malign and undermine us, only this time in a more insidious manner, by using a terrorist cult group brought in here by the government, that the FBI so boldly came in and rooted out. The facts are clear—the Vatican's FBI will solicit and pay false witnesses to destroy a church that is salvaging humanity from narcotics and drugs and out of lives of crime. I am sure that the Catholic FBI would also solicit and pay a hit-man to do away with anyone who exposes them.

Avro Manhattan, world famous writer and courageous exposé of the Vatican (the Great Whore that God speaks of in the Book of Revelation in the Bible), has this to say of the Vatican FBI: "The Federal Bureau of Investigation, blackened with the thickest layers of Catholic termites and hence is also Catholic-dominated, (since its first director, the Vatican's J. Edgar Hoover, who worked closely with Vatican Cardinal Spellman, as did FDR). . . it would astound the American masses if it were revealed that its most powerful and visible focus of infection was, and still is, of Catholic origin."

President Abraham Lincoln blamed the Civil War (wrongly called) on the Vatican. He stated that because of the Vatican's desire to dominate the world, the blood of the youthful Americans who died on the battlefield in the war between the states was spilt. Lincoln stated also that the blackest cloud that could ever come into America would be from Rome.

General Lafayette renounced the Vatican by saying, "If the liberties of the American people are ever destroyed they will fall by the hands of the Catholic clergy." Samuel Morse, who invented the telegraph, stated that, "Romanism [the Vatican] and her government agencies are a political system, despotic in its organization, anti-democratic and anti-U.S. Constitution and cannot therefore co-exist with the U.S. Constitution. The dominance of popery in the United States is a certain destruction of our free institutions."

Thousands of men and women which include former members of the Catholic hierarchy (priests, nuns, etc.) echo the above mentioned statements and more. These chose to turn their backs on false religions and serve Christ—to tell people the

truth as we do. Some of these names are Martin Luther, John Wycliffe, John Huss, Girolamo Savonarola, as well as men like Casiodoro De Reina and Cipriano De Valera, two monks persecuted by the Vatican who were converted to Christ and gave us the Spanish Protestant Bible.

Such has been the personal experience of thousands of Roman Catholics, leaving the Roman Catholic institution in obedience to God's call in Revelations 18:4.

The more that I link the Vatican (which poses as Snow White) to her vicious little dwarfs (federal and state government agencies) the more (in her deceptive costume of white) she will pretend to be indignant about the atrocities that her federal and state government agents and terrorist groups are doing. Yet, it is obvious when you read the newspapers, watch your television set, or listen to your radio, that all the statements I have made in this literature and in *The Pope's Secrets* are true. For example:

1. It is a matter of record that Ronald Reagan, one of the Pope's little helpers, is pushing the predominantly Vatican-Catholic Senate to ratify the Genocide Treaty, which is anti-American law and takes away all of our freedoms, the freedom of speech, the freedom of religion and kills our U.S. Constitution, Bill of Rights, and Declaration of Independence. Look at your television set.

To the Vatican, genocide is the final "solution" to the problem of eliminating Orthodox Christians, Jews, and all other non-Catholics. In WW II, through the Genocide Treaty, the Vatican Nazis nearly accomplished the elimination of a whole race of people (the Jews) by killing nearly 2/3's of European Jewry: 3.3 million from Poland; 1,250,000 from Russia; 210,000 from Germany and Austria; 450,000 from Hungary; 100,000 from Romania; 105,000 from the Netherlands; 90,000 from France; 50,000 from Czechoslovakia; 54,000 from Greece; 40,000 from Belgium; 26,000 from Yugoslavia; 14,000 from Bulgaria and Italy; and the Vatican's Nazi genocide goes on and on.

This is the very same Genocide Treaty that Reagan is urging the Senate to ratify at this very moment right here in our country, the United States of America. Rather than being passive, (as they were in Germany), it would be very good for you to contact the Senate and tell them you don't want this to happen in our country—that you don't want genocide. While we are still the majority, while there is still a little bit of time left—do this!

The Vatican Nazi holocaust proceeded with only token resistance. Just as here, in the United States, there is little resistance to the same ugly movement (genocide...euthanasia), and here in the United States (just as in Vatican Nazi Germany,) very often we see much local support. The Vatican German writers, especially the clergy, gave intellectual credence to anti-Semitism and anti-Orthodox Christianity; just as today's Vatican American press gives credence to the Vatican's smear campaign against us and labels us a hate church, when in reality all we are doing is exposing them. Martin Luther for instance wrote nearly 500 years ago, "next to the devil thou hast no enemy more cruel, more venomous and violent." When Martin Luther viewed the corruption of the Vatican, he stated, "The Vatican's god is my devil, yes, the Vatican is a sewer of corruption."

2. It is a matter of record that President Reagan is honoring the Catholic-Nazi war dead, showing his allegiance to the pope by his desire to visit their graves. Read your newspapers.

3. It is a matter of record that President Reagan's administration is Catholic.

4. It is a matter of record that the Vatican started the U.N. (the one-world government) and the one-world church.

There is a host of atrocities so vast, which are a matter of record, that the space we had in this article prohibits listing them all. Mafia, unions, you name it, they can all be linked to the Vatican. Any clear thinking person who loves God, country, family and friends should be incensed with enough indignation to do something about this.

Therefore we must call for the impeachment of this actor, who is clearly a wolf in sheep's clothing, and any other government officials who will not uphold American law (the U.S. Constitution) before they lead us into another Vatican "Grand Inquisition" and holocaust right here in our country. Ronald Reagan's god and his majesty is the pope, whom God calls the antichrist, but my God and my majesty is the real God—the God of Abraham, Isaac, and Jacob and Jesus Christ, His Son, is my Saviour. If we don't immediately install an American who upholds the American law as President of the United States and install Americans who love the Constitution to fill all other branches of our government, and if we don't immediately get right with God by accepting His Son, Christ Jesus, as our personal Saviour, and renounce the antichrist (the pope) and start keeping every one of God's commandments—this

country is doomed. Thus saith the Lord.

If we allow pro-Vatican Communist Ronald Reagan to continue to secretly push this Genocide Treaty into effect, the antichrist Vatican will then have as much power over us as it does over the people in the Soviet Union and in Poland. Remember that in my literature *The Pope's Secrets*, I warned you that one of the pope's secrets is that the Senate and Congress are predominantly Catholic, and Catholics are far more dedicated to the Vatican and the pope but the Vatican is not at all concerned about America, law and Jesus Christ. "...Choose you this day whom ye will serve; ... as for me and my house, we will serve the Lord" (Josh 24:15).

Yes, it was the Catholic U.S. Department of Labor that secretly brought Sun Myung Moon into this country in 1972 for the purpose of undermining the freedom of speech and religion (U.S. Constitution). And in 1965, former presidents Eisenhower and Truman, along with Admiral Arley Burke helped Moon to establish his Korean Cultural Freedom Foundation. The three of them had their names used on the Sun Myung Moon's Korean Cultural Freedom Foundation letterhead. Moon and his family were then granted status as permanent resident aliens by the Department of Labor. Their boss, the pope, also secretly endorses the Hare Krishna cult and witchcraft, homosexuality and lesbianism and many others that God calls lewd sins. This, that the Vatican secretly endorses, has been voted to be a religion secretly by the Catholic Supreme Court (called Catholic Humanism). Reagan's Genocide Treaty says that we cannot speak out against any religion, even if that religion is sin.

The Vatican department of Labor knew that you would see this cult, the Moonies, and that you would become frightened and angry because it has been given a tax-exempt status, and they are in hopes that you will vote against this cult's freedom of religion and speech. Thus, the Vatican has secretly molded your brain and used you by secretly using its federal Department of Labor, which brought the cult in for the purpose of helping the Vatican destroy the freedom of religion for all non-Catholics, but the most important to them, the one they are really after is the born-again orthodox Christian and the Jews (which they know very well would never follow the pope). Once the freedom of religion and speech are gone for the Moonies, they are gone for the Orthodox Christian as well as all non-Catholics; but the political Vatican (who knows this very well) doesn't care. The Old Whore knows she runs the one-world church and government anyway and doesn't need any freedom of speech or religion because she's the one (drinking out of the abominable golden cup of fornication) calling the shots. But the Bible says she will do this for only a very short time: "Therefore shall her plagues come in one day: death, and mourning, and famine: and she shall be utterly burned by fire: for strong is the Lord God who judgeth her. And the kings of the earth, who have committed fornication and lived deliciously with her, shall bewail her, and lament for her, when they shall see the smoke of her burning." (Rev. 18: 8)

"And his power shall be mighty, but not by his own power; and he shall destroy wonderfully, and shall prosper, and practice, and shall destroy the mighty and holy people... and by peace shall destroy many" (Dan 2:34, 35). After the Vatican controlled government has set up its false cults in this country, then the Vatican controlled news media can go into action with its propoganda and makes you (John Q. Citizen who doesn't know much about the Bible) feel real good about stamping out the freedom of speech and religion.

When I speak out about this to the press many of them misquote me, chop the tapes, and only quote one half of what I've said. This they do to many ministers that are orthodox which makes them look sort of crazy to you. They did this in Nazi Germany under the leadership of Catholic propagandist (news media leader) Josef Goebbels who smeared and maligned Jews and orthodox Christians and made them look ridiculous.

Genocide is the utopia for the Vatican antichrist and all of his helpers (wicked men in high places). The Genocide Treaty, if ratified by the overwhelmingly Catholic Senate, would put to death the U.S. Constitution, the Bill of Rights and the Declaration of Independence; and would attempt to silence the Gospel of the Lord Jesus Christ. All of our freedoms will be gone, if we don't act now and resist Satan. Jesus, through James, said if we will resist the devil, he will flee from us (James 4:7). But we must act now!! It is amazing how sound asleep America is, how unaware, how unconcerned and how deceived because the Vatican secretly—through humanism—has extracted all reality of God from your souls, (the real meaning of the Bible).

Where in the Bible does it tell me not to speak out against the antichrist, against wicked presidents, kings, nations, and false religious leaders (false prophets) and

where in the Bible does it say that this is hate? Jesus doesn't say that this is hate. Jesus says that there is no greater love (John 15:13). In the Bible, what man of God, including Jesus, didn't speak out against all these things? God commanded Ezekiel to do so . . . or else!! God threatened him and told him he would die and go to hell if he didn't speak out. In the New Testament Jesus commands us to do so with great zeal, and Jesus threatens us and tells us if we don't we'll die and go to hell. Jesus said, "I will spue thee out of my mouth" [cast you out of his body and into hell]. (Rev. 2:16)

All these secret, mysterious things that are happening to us in the world today, (the Vatican con job) the Bible says are coming from mysterious Babylon (Rev 17:5) the city of seven mountains (Rev 17:9) (Rome). God calls this false church the false prophet (Rev 20:10), "the great whore," "the mother of harlots" (Rev 17:5, Rev 18:2) and the mother of every abomination (every filthy thing) (Rev 17:5) which includes communism, socialism, nazism, fascism, Marxism and Leninism, one-world government and churchism, and organized crime of every type and kind. God never said that the Vatican is the mother of 99 and 9/10% of all the abominations, but God said the Vatican is the mother of every abomination (100%). (Rev 17:5)

There is no other organization on earth that even remotely comes close to fitting the description of this monster (the Great Whore, the Vatican) who in her own archives has more than sufficient proof and admission of the centuries of atrocities committed by her. The blood of millions has been spilt by her.

Vatican propagandists in the media busy themselves now with their polluting statements such as, "The war's animosities should end," and "the Europeans respect the Jewish sentiments about the Nazi atrocities in WW II," but add, "We're all members of NATO now (Catholic NATO), why go on about it?" But in the Bible, God shows us clearly that the martyred saints don't forget that they were tortured and murdered by her, in their crying out to God: "How long, O Lord, holy and true, dost thou not judge and avenge our blood on them that dwell on the earth?" (Rev 6:10). The angel of the Lord staled unto John the Revelator in prophecy of that which is to come: "Come hither, I will show unto thee the judgement of the great whore [the Vatican] that sitteth upon many waters [many nations]" (Rev 17:1) "And I heard the angel of the waters say, Thou art righteous, O Lord, which art, and wast, and shalt be, because thou hast judged thus. For they have shed the blood of saints and prophets, and thou hast given them blood to drink, for they are worthy" (Rev 18:5,6)

We have preached against the Vatican's false, idolatrous doctrines as God has ordained us. We have told her to repent of the wickedness of teaching people to worship people, the pope, Mary, saints, statues and following after doctrines of humanism. In God's mercy, He has sent us to warn the people of this earth to stop following after the whore (the Vatican). It is written that Jesus said, "And I gave her [the Vatican, the false prophet] space to repent of her fornication (wickedness, false teachings, the cruel one-world antichrist rule of government and church, jailings and murderings); and she [the one-world church and government, the Vatican] repented not" (Rev 22). And Jesus adds, "Behold, I will cast her [the Vatican and all that follow her] into a bed and them that commit adultery with her into great tribulation except they repent of their deeds. And I will kill her children [followers, highly financed apostate Protestants who exalt the antichrist, the pope, on their huge TV programs, who are leading millions into antichrist worship and the mark of the beast] with death; and all the churches shall know that I am He which searcheth the reins and hearts; and I will give unto everyone of you according to your works;" (Rev 2:22, 23)

If you do good, you will get a good reward; **if you do evil, an evil reward.** God said that He would destroy this wicked church and anyone that worships it, its leader, its image or take its mark on their forehead or hand so they can buy or sell. All this is unpardonable sin (Rev 14:9-11). Also to be destroyed with the Vatican's antichrist will be false Protestant leaders who lead their followers away from Christ into the antichrist, those who have joined the one-world church and lie and say that the pope is a great man when the Word of God clearly states he is the devil. People have to decide today who they are going to listen to, man or God. We, along with the living God, in love, urge you to listen to God and "come out from among her [the Vatican, one-world church and government and system] my people" (Rev 18:3). "For why will ye die?" (Rev 22:11). "Come now, and let us reason together, saith the Lord; though your sins be as scarlet, they shall be as white as snow; though they be red like crimson, they shall be as wool." (Isa 1:18)

So get out of the body of the antichrist (false religion) and get into the body of Christ (THE SPIRIT OF THE LORD) by renouncing this false religion and accepting the Lord Jesus Christ into your heart as your personal Saviour by saying this prayer:

PRAYER

MY LORD AND MY GOD, HAVE MERCY UPON MY SOUL, A SINNER. I BELIEVE THAT JESUS CHRIST IS THE SON OF THE LIVING GOD. I BELIEVE THAT HE DIED ON THE CROSS AND SHED HIS BLOOD FOR THE FORGIVENESS OF ALL MY SINS. I BELIEVE THAT GOD RAISED JESUS FROM THE DEAD BY THE POWER OF THE HOLY GHOST. I OPEN UP THE DOOR OF MY HEART, AND I INVITE YOU INTO MY HEART, LORD JESUS. WASH ALL OF MY SINS AWAY IN THE PRECIOUS BLOOD THAT YOU SHED FOR ME. YOU WILL NOT TURN ME AWAY, LORD JESUS; YOU WILL SAVE MY SOUL. I KNOW BECAUSE YOUR WORD, THE BIBLE, SAYS SO. YOUR WORD SAYS THAT YOU WILL TURN NO ONE AWAY, AND THAT INCLUDES ME. THEREFORE, I KNOW THAT YOU HAVE HEARD ME, AND I KNOW THAT YOU HAVE ANSWERED ME, AND I KNOW THAT I AM SAVED, AND I THANK YOU, LORD JESUS, FOR SAVING MY SOUL. . . Now that you are saved, raise your hands toward heaven and praise the Lord.

After you have said this prayer and know that you are saved, read only the King James Version of the Bible. And call or write us soon for instructions on how to receive power from God by receiving the baptism of the Holy Ghost, and for instructions on how to please the Lord fully.

GENOCIDE CONVENTION AIMED AT STOPPING CONVERSIONS TO CHRIST

The Genocide Treaty, if ratified by the U.S. Senate, would give communists and others opposed to Christianity a legal handle to virtually stop all attempts to convert the lost to Christ anywhere in the world. Christian missionaries could face trial before the United Nations World Court.

Not only would the Genocide Treaty protect the communists when they go into a country to overthrow its government and commit mass murder, but it would also destroy our freedom of speech in sharing the Gospel of Jesus Christ.

In its present form, the Treaty could deny you the right to share the Gospel of Christ with a Buddhist refugee from Vietnam. By making him aware of his lost condition and his eternal destiny in hell, you could be charged with genocide because of the "mental anguish" that might result when you tell him about the desperate condition of his lost soul.

The Genocide Convention is a proposed Treaty which has been pending before the U.S. Senate since 1948. Every Senate since that time has refused to ratify this Treaty. But recently, a major campaign has been launched to get the 1985 Senate to ratify the Genocide Treaty.

The word "genocide" was first used in 1944 to identify the crime of Hitler's mass murder of the Jewish people during World War II.

All civilized people are against the heartless, systematic killing of groups of people. If it were only a resolution denouncing genocide, all people with a conscience to see that others are treated as they would want to be treated would urge its adoption.

But the purpose of this Treaty is vastly different than it appears.

If ratified, the International Genocide Convention court--not our Constitution or the Supreme Court--would become our final court of appeal.

It would supersede the Constitution, notably the sixth Amendment that guarantees "a speedy and public trial, by an impartial jury of the State and district wherein the crime shall have been committed. . . ."

But because of the wording of Article 6, Clause 2 of the Constitution, the Genocide Treaty--if ratified by the Senate--would supersede our Constitution's safeguards for American citizens. This means that Americans could be denied the protection of the American legal system and could be taken into any foreign country to stand trial.

The Genocide Treaty sounds like a righteous statement of high moral purpose, condemning the uncivilized actions of dictatorial governments. But in reality it is a *dangerous* United Nations Treaty which *would do absolutely nothing to prevent the real genocide (killing) going on in the world.* But it would destroy the constitutional liberties of Americans who were falsely accused of "genocide" as defined by the Treaty.

The mass killing going on in Afghanistan, the Ukraine, Cambodia, Tibet, and the Soviet Union would not be stopped or affected by this Treaty. On the other hand, *it would cause U.S. citizens--missionaries, peace corps volunteers, members of the armed forces, etc.--to face trumped-up charges before hostile courts.*

Former Senator Sam J. Ervin, Jr., pointed out that if the Genocide Treaty is passed, it

would mean that American soldiers fighting under the flag of their country could be tried and punished by the foreign courts—even in courts of our warring enemy—for killing or wounding members of the military forces of our warring enemy.

But Afghanistan, for instance, would not be convicted of genocide because it is politically motivated. When this Treaty was first negotiated in the United Nations, the Soviet Union insisted that the term "*political genocide*" be deleted. So the Genocide Treaty now refers to racial, religious, and ethnic but not *political* genocide. This is saying that the Soviets are killing people in Afghanistan, not because they are Muslims, but for political reasons.

Since the Soviets claim that all victims of their purges are "enemies of the state" (making their intent "political" rather than "ethnic, racial, or religious"), *communist genocide is exempted from punishment.*

Another great concern would be its effect on evangelism. For example, a missionary trying to convert a member of an African tribe to Christianity could be accused of genocide. That missionary could then be prosecuted as a criminal and tried by an "international penal tribunal" where he or she would NOT have the protection of the U.S. Bill of Rights, but MUST be tried in a foreign or an international court which, in most cases, are anti-Christian.

The Treaty also takes away our right to demand that U.S. citizens, Christians, or servicemen who are accused of crimes overseas, be extradited back to America for trial.

Urgent Action is Needed Now!

The New York Times, April 9, 1983, reported that the Senate Foreign Relations Committee has held one hearing on the issue of the Genocide Treaty. They are expected to vote it out of the Committee very soon. This would then allow it to be voted on by the full Senate.

Phnebe Courtney, Managing Editor of *The Independent American*, recently wrote, "Never before has our country and its citizens been placed in such jeopardy!

"Because it was given such small coverage in the nation's press, many conservatives do not realize that President Reagan, on September 5, 1984, announced his support for the Genocide Convention. His support was pledged to carry over to the next session of Congress (1985), and the Senate voted on October 10, 1984, to fulfill its promise to act 'expeditiously' to ratify the Treaty.

"By ignorance or design, the mass news media has failed to inform the people about the dangers of this Treaty."
