MORE FAMILY PICTURES OF THE NEW FIRST FAMILY??

**PLEASE READ THE FINE PRINT
AND FORWARD TO OTHERS.**

**How come we haven't seen or
known about some of these....?**

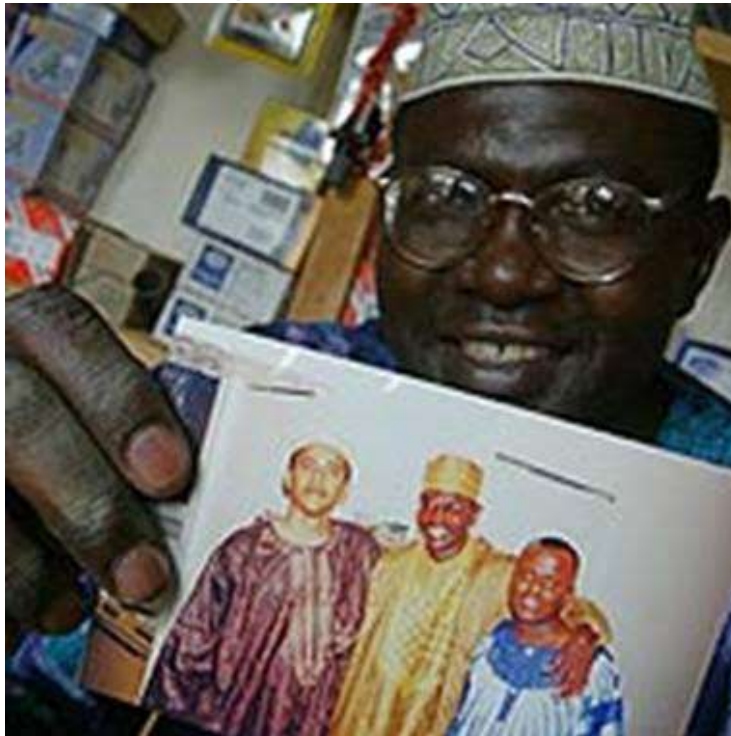

Barack Obama's grandmother, Sarah Hussein Onyango Obama

U.S. presidential hopeful Barack Obama's uncle has been a prisoner in his own home, trapped by post election violence that has left more than 600 Kenyans dead. 'If Barack Obama were elected, he would improve relations between Africa and America because he had his roots in Africa', his uncle said.

Malik Obama, older brother to Barack Obama, holds an undated picture of

Barack has stated his support for Luo Raila Odinga (Opposition Leader in Kenya who signed a 'Shariah pact' with Muslims and claims to be Obama's cousin) and is married to Ida Odinga. They have four children - two sons and two daughters. His oldest son, Fidel, is named after Fidel Castro.

Barack's father, Muslim, hard-drinker, was married three times, attended Harvard and returned to Kenya . Obama claims he was an atheist, but he was raised Muslim and was given a Muslim burial at Barack's family's request.

With mother Stanley Ann Dunham. In his own autobiography Obama writes, 'How and when the marriage occurred remains a bit murky, a bill of particulars that I have never quite had the courage to explore.' (His father was still married to his first wife Kezia in Kenya at the time.)

His father's only visit while Obama was in Hawaii

**Mother's 2nd husband Lolo Soetoro (Indonesian Muslim),
their daughter Maya, and Obama.**

Abandoned by his father and shipped off by his mother to his white grandparents, Barry Sotero becomes Barack Hussein Obama. Obama would describe his grandparents as 'white folk.' (Yeah, 'white folk' that would **NOT** abandon you, their grandchild. Shame on you Obama.)

Barack stands behind Kezia (stepmother) in a Kenyan family shot. (Including brother Abongo ' Roy ' Obama who is a Luo activist and a 'Militant Muslim' who argues that the black man must 'liberate

himself from the poisoning influences of European culture.')
'Abongo's new lifestyle has left him lean and clear-eyed, and at the wedding, he looked so dignified in his black African gown with white trim and matching cap that some of our guests mistook him for my father,' Obama wrote in *Dreams From My Father*.

Obama's visit to Africa '06

(Where are the transcripts of the speeches he gave here? Campaigning for Odinga? Wouldn't it be great to be able to read these? Do the people of the state of Illinois know about Obama's radical background?)

SINCE CBS, ABC, NBC, CNN, AND THE NEW YORK TIMES WILL NOT SHOW THESE PICTURES, [AND WE WONDER WHY NOT](#),

WILL YOU FORWARD THESE TO THE (APPROXIMATE NUMBER) [200 MILLION](#) AMERICANS THAT HAVE [INTERNET ACCESS](#)?

THANK YOU.
